MANBAIT

These hot babes are a hell of a catch!

Starring: Moana, Nina Hartley, Leanna Foxxx, P.J. Sparx, Buck Adams, Marc Wallice, T. T. Boy, Peter North, and Ed Powers.

Directed by: Gerard Damiano
From: VCA

The steady directorial hand of master pornmaker Gerard Damiano is extremely evident in this well-paced sexathon featuring the voluptuous Italian newcomer Moana. The tale opens with Buck Adams in prison, explaining to a reporter (Ed Powers) how he got there. It a long story, obviously, and Buck narrates it in the mournful tones of the classic film-noir hero.

Flashback to Rome, where under Buck's voiceover we see him meeting Moana in a cafe and telling her that he can bring her to America and make her a famous model. In no time they hop a plane and go straight to Buck's office. In

trying to explain to Moana, whose English is somewhat limited, that she has to watch out for all the horny bastards who are going to try and fuck her luscious body, he ends up banging her himself. Although the scene has a lot of funny lines, as he tries to give her pointers on being savvy in the cold, cruel world of modeling, it's also sexually right on target, as Moana proves herself to be an agile cocksucker and dick-humper. She has a hairy pussy (nice to see one in a porn movie for a change) and is quite sexy as she moans half in Italian and half in English: "Oh fuck me, yes?"

Peter North and T. T. Boy take on Moana, filling her mouth and snatch with their throbbers!

After getting his load off, Buck sends her to Leanna Foxxx, a speech expert, who will correct Moana's wobbly pronounciation. But it quickly becomes apparent that Leanna is interested more in Moana's pudendum. "English lesson is little like eating pussy!" Moana declares, as Leanna presses her pussy to the model's mouth. There are some hot, low-angle shots of Leanna's huge tits shaking and quaking as she writhes toward orgasm.

X-Rated Confessions of . . .

Alicyn Sterling

Boffed And Polished To Perfection!

Michelle Pfeiffer made a grand piano look even grander in The Fabulous Baker Boys, *but Alicyn Sterling tops that in the adult film,* Brandy and Alexander. *With Jon Dough as her partner, Alicyn nearly pops the strings of a Steinway as she makes music with her shapely body.*

It's the kind of duet Alicyn was born to perform, since Jon is the perfect partner for her: handsome, hung, and attentive. The scene is a visual treat, and the movie is the sort Alicyn prefers. She looks for scripts with "real stories, interesting characters; not just sex, but real adult material, the kind that engages the mind and heart, as well as th hormones!"

She's a girl who knows what she wants and goes after aggressively. She wanted to do sex flicks and the industr snapped her up and put her to work, keeping her perpetu ally busy. She wanted bigger tits, and virtually overnigh her bra cup size jumped from "A" to "C." She wanted solid contract with an established company, and one o the oldest, Arrow, gave her everything she asked fo Alicyn is going places, and Paul Thomas, our porn inside spoke with her to find out which direction she's headed

PAUL THOMAS: Have you seen *Brandy and Alexander* yet?

ALICYN STERLING: Yes, on cable the other night. I loved doing that movie. It was shot on film, which I prefer to video because of the superior image quality and the additional time and care they put into making it. If they're going to spend the extra money to do it on film, they want a strong story and good production. I don't like doing those "little" videos that are quick and cheap and disappear after the first couple of weeks. They're like magazines. A film is like a book; it stays around for awhile. With *Brandy and Alexander* I knew it was going to be beautiful even before I saw it, because so much care was taken in setting up every shot. And I love working with Jon Dough. It's always easier when your partner is that good-looking and considerate.

"A few male stars are so hugely hung that I can't last more than an hour with them. But what an hour!"

P.T.: After our readers get a look at your photos they are going to want to see all your movies. Which ones do you recommend?

ALICYN: I enjoyed playing a vampire in Scotty Fox's *Bite*. I did another one for him called *Shattered*, with Raven and P.J. Sparks, in which we all played different facets of the same girl's personality. Scotty makes good-looking movies.

P.T.: You were in Gerard Damiano's *For The Hell Of It*, weren't you? What was it like working with that legendary erotic filmmaker?

ALICYN: I think that movie is my favorite. I had never even seen a Damiano film when I was hired, so I rented *Deep Throat* and *The Devil In Miss Jones*, both 20 years old now, and they still look better than most of today's product. Of course, in those days, they spent more money and took more time to make a feature than they do now.

P.T.: Your first X-rated feature was for me, Paul Thomas. What was the experience like?

ALICYN: It starred Christy Canyon. When you asked me if I could act, I lied and said yes. But I've been learning on the job, so to speak, and now I believe that acting is my strong suit.

One of these days I may "crossover" and do a big Hollywood movie. But I won't make the same mistake that Ginger Lynn and Traci Lords made. I won't go from doing leads in pornos to playing bimbos and pom-pom girls in bad exploitation films. I want to be upwardly mobile, not downwardly nubile.

P.T.: Well put. Part of your strategy has been self-improvement, right?

ALICYN: Sure. I've been working on my body, trying to perfect it, because the better your body the more you're going to work. I exercise regularly, using the "Step Method," where you repeatedly step up onto a platform and back down again. Madison works out in the same gym with the same method, and she has a great ass.

P.T.: But it doesn't do a thing for your tits. I suppose exercise can help prevent breasts from sagging, but it won't really enlarge them. Where did you get your incredible tits?

ALICYN: I sent away for them. No, just kidding. But I did buy them, and it's the best investment I ever made. Despite what you read in the papers these days, I'm very happy with my tits. And they have certainly made a big difference in my career. As soon as I got them, the jobs started coming faster than I could keep up with,

"Before I fuck, I get in the mood by using a dildo. I'm nice and hot when the real thing starts pounding away!"

and I was made the cover girl for tons of box covers. You know how important it is to actresses to land the cover shoot for the box.

P.T.: Sometimes more important than the movie itself. So now that your nearly perfect body is topped by gorgeous gazongas, can you walk down the street without causing traffic accidents?

ALICYN: Yes, because when I'm out doing routine errands I wear baggy sweatshirts and other disguises to ensure some degree of sane behavior in the people I pass on the street. But when I go out at night, dancing and pub-crawling, I dress to impress. And I must say, it tickles me to see the commotion I cause in a tight dress and push-up bra. People recognize me from my movies, and

most of them are really sweet about it. The ones who aren't I just shrug off. I don't need to know anyone who disapproves of what I do or how I look.

P.T.: Since your bra size has doubled, does it throw your balance off? Can you still do pirouettes?

ALICYN: Yes. I took ballet for years, and I still dance, although no longer *en pointe.*

P.T.: You mean that, like many porn stars, you go on the road with a striptease act between movies?

ALICYN: Yes. Patti Rhodes books me, but I don't dance as much as some of the porn girls do, because, frankly, I don't have the stamina to work all the time. I put a lot into my stage act, and after a week or so on the road, I'm exhausted and need a break.

P.T.: You went from straight modeling to—what do we call it—*bent* modeling? And then to adult video, correct? How did this progression begin?

ALICYN: My ex-husband introduced me to X video. We both were very curious and shared a common fantasy: me having sex with a woman.

P.T.: You wanted to try it, and he wanted to watch?

ALICYN: Yeah. I had thought about it for a long time. I don't fully understand the impulse, because I'm not a lesbian, but the porn tapes made it seem less alien, less scary. I started thinking, "Hey, no big deal, give it a try."

P.T.: Did you and your husband masturbate or have sex while watching the movies?

ALICYN: Sure. Doesn't everybody?

P.T.: We'll never know. Not everyone is as candid as you. What sort of thing about a woman might catch your eye and turn you on?

ALICYN: I like to see a girl dressed in an outrageously sexy way. I like extremes, what you might call "rock & roll" sexuality; up front, larger than life.

P.T.: What sort of marriage did you have?

ALICYN: A brief one. It lasted a little more than a year. But it was an open marriage. He wasn't jealous. When I started doing movies he enjoyed hearing about everything that went on. We're still real good friends.

P.T.: He's black. Did that pose any problems?

ALICYN: No, and it's irrelevant. Our friends came in all flavors, and color was never an issue. I just got married too young, that's all. I was only 20 when we met. He was my first, but there were others over the next four years till we tied the knot.

"Some guys get me so hot that I fuck them before we start shooting. I can't wait to inhale their pricks!"

P.T.: What did you do for a living pre-porn?

ALICYN: I was in retail and bored to tears. I had studied ballet for years and with good dance companies, but ballet makes you hard and stringy. I'm not that kind of girl.

P.T.: No, you're soft and round and—have you been a blonde for long?

ALICYN: All my life. One side of my family is from Germany, the other from Austria.

P.T.: Do you like porn better than retailing?

ALICYN: A lot. The X industry is substantial, and it gives me more than a good income. It's fun. I can meet people, have wild sex, and people notice me more. Now I'm somebody. Some of the girls in this business don't like to be recognized when they are out in public, but I'm flattered by the attention, and I appreciate it.

P.T.: The new boobs made you a "hot property," didn't they?

ALICYN: I'll say! I got more work than I had before, and I don't think I would have gotten so many magazine layouts without the enhanced bosom.

P.T.: What sort of a man do you like?

ALICYN: Usually, I like the Jon Dough type: quietly handsome, intelligent, considerate . . . I don't care for the guy whose first words are, "I'm gonna fuck your face and cum in your ear." I never thought I liked the assertive type, but when I worked with Rocco, the Italian stud, I was surprised at how eager I was to fuck him. I was so horny that morning, I could hardly wait. Some actors only switch on the *machismo* when the script calls for it, but Rocco, he's that way all the time. He came over to me while I was still getting into makeup and began getting me hot. They made us do it on some rocks, which is not the most comfortable way, but I hardly noticed.

P.T.: Jon and Rocco are both large. Is that one of the reasons you like them?

ALICYN: Not at all. If I'm working with Rocco or Peter North or any of those extremely well-hung guys, I always ask to shoot the sex first, because I know I can't last more than an hour with them. They're just too damn huge. It's like the dildos they hand out on the movie set, invariably way too big. By now everybody knows I insist on choosing my own dildo or vibrator.

P.T.: And what size are you?

ALICYN: Medium. What size are you?

P.T.: Well, on that note, I think we'll end the interview . . . •

BUSH PILOTS 2

These hot babes make sure that the 'Friendly Skies' are more fun than ever!

Starring: Ashlyn Gere, Sharon Kane, Rayne, K.C. Williams, Ona Zee, Mike Horner, Randy West, and Rod Ryker.

From: VCA Pictures

Ashlyn Gere and Rayne play two charter pilots hired by a photographer (Rod Ryker) who wants them to fly him around so that he can scout locations for the lingerie catalog he's been assigned to shoot. No sooner does Rod take a look at Ashlyn, though, than he decides that she has to be the main model in his shoot, rather than blonde stunner K.C. Williams. Rayne—

who's no slouch in the beauty department herself—also wants her tow-headed gorgeousness recorded for posterity in the pages of the catalog, but it isn't until she gives Rod a hot blow job in the plane that he sees she's truly a candidate for stardom.

Mike Horner plays Ashlyn's boyfriend, and they get it on in a sizzling dog-style humpfest that shows clearly why Ms. Gere is a star—she's damn exciting to watch when she's writhing on her knees, her back all sweaty and her pussy aching for cum. After they have sex, Mike reveals that he's studying to be a detective. In pursuing this career, he discovers that a mysterious stranger (Randy West) is attempting to steal some of the latest lingerie designs to be used in the catalog. Randy uses his studly demeanor to gain the support of Ashlyn's secretary (Sharon Kane) in furthering his nefarious scheme. By flattering her that she, too, should be a lingerie model, he gets her so hot and grateful that she gives him a thorough *al fresco* blow job right in front of the plane. Meanwhile, Mike spies on them from afar.

Ashlyn and Horner hump dog-style, her pussy aching for cum!

Rayne takes Rod and his secretary, Ona Zee, up in the plane to scout locations, putting the heavy make on flabbergasted Rod while the plane dips and sways in the sky. On the ground, Randy comes onto K.C., trying to get her to help him snatch the lingerie designs, especially now since she's disgruntled over being replaced by Ashlyn and Rayne as the stars of the catalog shoot.

Randy takes K.C. back to her hotel room, where he eats her pussy until he has her begging for more. What makes the scene particularly interesting is that K.C., a scrumptious All-American girl in her own right, is made up here to look a lot like Christie Brinkley. So when Randy spurts his load all over her tongue and she swallows it with a smile, you'll have to blink your eyes more than once to remind yourself that you're really watching K.C.

Rod starts doing the photos, but despite the commotion about who's going to be in it, all the ladies in the cast participate (so much for logical story development). Anyway, while the shoot breaks down into a lesbo love-fest between K.C., Ona, Sharon, and Rayne, Ashlyn distracts Randy from his attempted larceny by seducing him.

There's a lot of switching of satchels while Ashlyn spreads her legs and takes West's pork deep into her heated twat. When he finally spurts his load on her, the sleazeball thinks he's not only gotten some unexpected pussy, but the lingerie designs as well; but little does he learn until later that he's been royally fooled by Ashlyn and Co. It turns out that although Mike Horner wears the trenchcoat and fedora, Ashlyn is the real gumshoe in their relationship, and she's not above using sex as one of her investigatory tools!—**Irv O. THE OTHER WOMAN

Hyapatia Lee is on the prowl for hung, horny married men!

Starring: Hyapatia Lee, Kim Wilde, Scott Irish, P.J. Sparks, and Jon Dough.

Directed by: Paul Thomas
From: Vivid Video

The Other Woman, the latest collaboration between director Paul Thomas and screenwriter Ariel Knight, is a tour of the libido led by Hyapatia Lee, who speaks to us directly about the benefits gained by the "other woman" in a relationship. She extolls the role, saying that "Mistresses" gain rewards from husbands who have grown bored with domestic sex and are looking for new adventures.

As a successful businesswoman, free and independent Hyapatia can do pretty much as she pleases. And pleasure pleases her most. At the end of a work day, she likes to take a leisurely bath before dressing for a night of action. We are invited guests every step of the way.

we see that Hyapatia would like more than the occasional free-spirited tumb in bed. Her fondness for Jon goes deeper than sex, but she won't admit t him anything more than a quest to hav her twat filled with cock. After sex with Jon, Hyapatia reveals to us that sometimes she wishes she were Jon's only woman.

Of course, for disappointed lovers, there are always compensations. Ther are, for instance, female friends and lovers. We observe Hyapatia as she illustrates with a lady friend how a well placed tongue is often the best comfo of all.

But when the hour is late, and so is Jon, Hyapatia's restlessness knows n consolation but that provided by her own hand and trusty vibrator. Maybe t "other woman" role isn't so wonderful after all. In the end, it seems, the "other woman" is always alone. But chances are, you'll be elated at being alone with *The Other Woman*, for Hyapatia Lee is one hell of a woman any way you look at it!

To illustrate her point that the other woman is more to be envied than pitied, Hyapatia tells us about a couple (Scott Irish and P.J. Sparks) whose home life has grown so listless that sex bogs down in petty disagreements, such as who should cum first.

Hyapatia tells us that Scott is quite different when with someone else. She should know because she is, in fact, the "other woman" in Scott's life. For instance, P.J. would never allow another woman into their conjugal bed, yet Kim Wilde is an invited guest when Scott cuts loose with Hyapatia.

Hyapatia says she wouldn't trade places with a wife under any circumstances. But is Hyapatia telling us the whole truth? We begin to wonder, after watching her with married man Jon Dough. Although she gives Jon everything he could dream of in a lover,

What's it like going to work and getting shot in the stomach with a flare gun? It's just another job for Hollywood stunt man David Nunn. "It's like passing through the center of a cloud," he remarked about the strange stunt. But how does he survive it?

First, he wraps himself in three layers of flameproof overalls. Next, he covers himself with fire-retardant gel. Then his assistant shot him with a flare gun. The flare ignited a cardboard band around Nunn's stomach and knocked him backwards into a sheet of plywood, which erupted into a wall of fire.
